

As the Town Administrator, it is my job to oversee the day-to-day operations of all town departments and services for the citizens of Olathe. Olathe is governed as a Colorado statutory town with a Board of Trustees/Administrator form of government.

The Town Administrator serves at the pleasure of the Board of Trustees, while carrying out policy decisions of the Board of Trustees, following the Olathe municipal code, and keeping the Board of Trustees and the public informed of the Town's present and future needs. The Administrator also provides updates on current operations and conditions and provides guidance and suggestions to the Board of Trustees.

If you have any questions or concerns I encourage you to attend the regular Board of Trustee meetings on the 2nd and 4th Mondays of every month. You may also email or call Town Hall at (970) 323-5601.
